

Altamonte Sparklers – Special Needs Cheerleading

Volunteer Cheerleading Coaches Needed

Want to make a difference? Love to dance? Ready to have some fun?

Please join us for our Season Four Coaches Planning Meeting

Sunday, August 9, 2009

Eastmonte Park at 3pm

830 Magnolia Drive, Altamonte Springs FL 32701

We will discuss which events to attend, choreograph dances for the athletes, develop lesson plans for the season, and more. To fully prepare for the upcoming season, we will most likely meet on a few more Sundays in August/September.

Please let us know if you will be coming... and spread the word too!

If you cannot attend any of the planning meetings, but would still like to be a volunteer coach, please let us know, and we will fill you in on what you missed.

What do volunteer coaches do?

Volunteer coaches are crucial to running cheerleading practices for more than 50 special needs athletes. Volunteers help choreograph, teach, and perform dance routines for the athletes. The Sparklers Season begins in October and ends in April.

Volunteering only requires attending one practice a week and a few events/competitions throughout the year. The best part of all – while volunteering as a coach, you are also being a friend and role model to many! We prefer volunteers to be ages 16 and up and community service hours are happily granted.

We appreciate your support and look forward to seeing you!

* Sparklers Head Coach * Ranwa Nin Elkhoury * 407-929-7254 * rel-khoury@altamonte.org *

*The Altamonte Sparklers are a group of more than 50 male and female cheerleaders with special needs who have been training and competing for three years. Together the group has attended numerous community events and over 8 cheerleading competitions. They are run by the support of the City of Altamonte Springs, volunteer coaches, and generous donors. The Altamonte Sparklers are more than just a cheerleading squad; they are a group of inspirational athletes who have proven that anything is possible- if given the chance! **Got Sparkle?***
